The awesome thing about God's love for us is that it is all-filling and overflowing despite our imperfections. That's easy to hear but hard to believe.

Let's work together to learn how to be more perfectly imperfect in God's eyes, in each other's eyes.

Nature, study, sharing, outdoors, crafts, singing, prayer, worship, communing over food - it's all there.

We will abide by all county and facility vaccination and masking requirements. More details closer to the date.
